

ZUBIN MEHTA

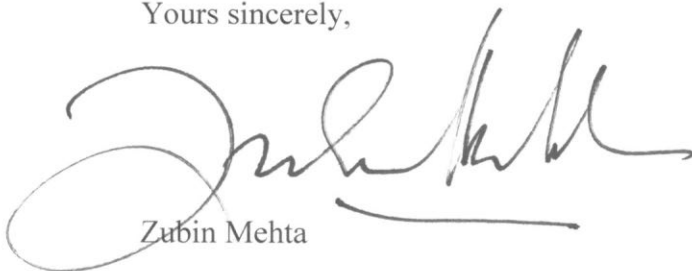

Valencia, 14th June 2013

To whom it may concern,

I have found the greatest pleasure of hearing the Arteunita Ensemble in diverse repertoire such as Beethoven and Ravel and in both instances, found them extremely conscious of style and a great inner contact among the musicians.

Each of the musicians is an accomplished virtuoso and it is amazing how they merge their talents and produce a completely unified interpretation of the highest level.

Yours sincerely,

Zubin Mehta
